Element Locker Series

No Interior Space? No Problem!
Dedicated interior space is no longer necessary when you choose the Package Concierge® Element Locker Series.
Meet the demands of outdoor environments and provide 24/7 customer access with this weather resistant, secure automated locker system. Its sleek design includes LED lights to ensure nighttime illumination and reinforced doors with hidden compartment hinges protects compartment contents.
If finding space for lockers is a problem - here’s your solution!

Outdoor Locker Standard Features
- Pre-configured double column modules
- Dry Cleaning locker module includes hanger mechanisms
- Patent-pending site configurable locker process
- Awning includes LED light for nighttime illumination
- 10” x 8” touchscreen, camera, and barcode reader
- Uninterruptable power supply (UPS)
- Electrical: Hard-wired for 120 Volt, 15 Amp circuit w/disconnect
- Internet: Ethernet, Wifi, or Cellular
- Operating temperature range: -10°F to 125°F
- Designed to withstand wind speeds up to 100 mph
- Maintenance access to compartments in locker module
- Corrosion-resistant steel construction with powder coat finish available in eight (8) colors
- Custom powder coat color finish or wraps available
- Foundation-mounting with hidden hardware
- Linear, U/L shape and split system installation options

Future-proof your investment
The Package Concierge® Element Locker Series is site configurable; allowing you to adjust existing compartment sizes by simply swapping out different door sizes and removing or adding shelves, to meet your growing business demands.

Site configurable lockers
Proprietary cloud-based software
Web portal with live/historical data
